

Supplier Code of Conduct

Dept : Procurement Department	Revision Date	17.01.2024
Approved By : CPO	Revision No.	00

1. INTRODUCTION

This Supplier Code of Conduct (*" the Code"*) reflects values of the Manjushree Technopack Limited (MTL) and its Suppliers.

At Manjushree Technopack Limited (MTL), we are committed to upholding ethical values and fostering responsible business practices. This Supplier Code of Conduct is designed to ensure that our values are not only embraced but also actively practiced by our suppliers and their personnel, which includes employees, officers, and directors.

2. PURPOSE OF THE CODE

The Supplier Code of Conduct addresses critical aspects essential for the alignment of both MTL and its suppliers. It serves as a guide for ethical business conduct, promoting transparency, fairness, and integrity in all interactions and transactions between MTL and its suppliers.

3. COMPLIANCE WITH THE CODE

Aligning with the principles, the supplier must establish systems and controls to comply with applicable laws, regulations, and the guidelines in this Code. This encompasses the creation of policies, training initiatives, and monitoring mechanisms.

The supplier are required to extend these principles to subcontractors and suppliers engaged in providing goods and services to MTL. Upon request, provide a written confirmation of their compliance with this Code.

MTL reserves the right to assess and monitor your compliance, engaging third parties if necessary. Maintain on-site documentation for compliance demonstration, treated confidentially during audits.

Non-compliance may result in termination or exclusion from future business. This MTL Suppliers Code of Conduct emphasizes core principles extended to all parties engaged, including suppliers, requesting their respectful adherence to the Code in their business dealings. It's the supplier's responsibility to communicate the Code effectively to stakeholders and ensure compliance.

4. REPORTING NON-COMPLIANCE WITH THE CODE

Any actual or suspected non-compliance with this Code should be promptly reported to MTL. Additionally, individuals, companies, or local community representatives who believe that an MTL employee or anyone acting on behalf of MTL has engaged in illegal or otherwise improper conduct can report via_____. Rest assured that your relationship with MTL will not be adversely affected by an honest report of potential misconduct.

- Suppliers must provide safe and healthy working conditions, ensuring reasonable working hours, fair wages, and benefits. Physical and mental demands must be in compliance with applicable laws and international standards.
- Suppliers must prioritize the well-being of workers by maintaining a safe and healthy workplace. Adequate measures should be in place to prevent accidents and injuries.
- Discrimination and harassment based on race, colour, gender, age, religion, marital status, sexual orientation, political opinion, or national or ethnic origin, or other similar characteristics are strictly prohibited. All employees should be treated with dignity and respect.
- Suppliers will ensure that their workers have the right to join or form trade unions and engage in collective bargaining. Suppliers must respect and not hinder the exercise of these rights in accordance with applicable laws.

7. ENVIRONMENT

Environmental stewardship is a top priority for MTL, and we look for a corresponding dedication from our suppliers. We anticipate suppliers to carry out their operations with a focus on environmental protection, adhering to all applicable laws and regulations.

Supplier must:

- Comply with all local, national, and international environmental laws and regulations.
- Implement measures to prevent pollution, reduce waste generation, and minimize environmental impact.
- Strive for resource efficiency by optimizing material, energy, and water use.
- Adopt sustainable practices, including eco-friendly materials, recycling, and environmentally responsible packaging.
- Work towards reducing Greenhouse Gas Emissions (GHGs), air pollutants, and harmful emissions.
- Identify and minimize the use of hazardous substances, adhering to relevant regulations.
- Prioritize biodiversity, and will not source materials, directly or indirectly, that contribute to deforestation of high conservation value areas, or interfere with the habitats of endangered species.
- Implement an Environmental Management System (EMS) for systematic environmental management and improvement.
- Be transparent about environmental performance, providing information upon request, and participating in reporting initiatives if applicable.
- Prioritize sustainable sourcing practices, considering environmental, social, and economic impacts throughout their supply chains ([Refer MTL's Sustainable Procurement Policy](#)).

8. GENERAL

The Supplier must rigorously protect MTL's intellectual property, including copyrights, trademarks, patents, inventions, and designs. Use of these requires explicit authorization from an authorized MTL representative, solely for the contracted objectives.
