

INNOVATION

32mm Aseptic / Cold Fill Preforms

29% (2.09gm) Total Package Savings !

MTL Proudly announces launch of 32mm neck aseptic preforms. These preforms promise following advantages against 38mm neck :

- Vented slot for better blow-off performance like 38mm 2 Start.
- B-step like 38mm 3 Start neck
- Better drinking experience for small and as well as large pack with optimum bore diameter
- Cetic standard neck GME 30.36 uniform globe standard neck
- Proven performance and successful across markets, OEM and product
- Global brands moving from 38mm to 32mm
